YALE'S BEST END BADLY HURT

Kilpatrick Taken Off Field in Ambulance with Abdominal Injuries Varsity and Freshmen Both Score.

New Haven, Conn., Nov. 2.—In a scrimmage between the Yale varsity and the freshmen football teams on Yale field this afternoon John R. Kilpatrick, right end on the varsity and an All-American end, was struck in the abdomen and side and removed from the field in an ambulance. The coaches tonight were unable to give the extent of injuries or how long he would be out of the game.

Two Sprints for Length of Field.
In the scrimmage four touchdowns were made by the varsity and two by the freshmen. The 19 men scored both times on fumbles by the varsity when the ball was within the ten yard line, the runs for the length of the field being made by Gaffney and McGill. The varsity touchdowns were made on a forward pass, a line plunge and a quarterback run.
In the face of persistent rumors that there was friction between the coaches, Walter Camp, graduate advisory coach, says that the Yale coaches' statements in which they denied that there was any split in the coaching force, saying that everything was harmonious.

CRIMSON AND TIGERS
NOT SCORED ON YET.
Only One of Big Eastern Eleven—Penn Shows Biggest Total in Points.

Princeton and Harvard are now the only two big eastern eleven teams that have not scored on yet. Harvard leads with a total score of 110 for six games; to Princeton's 81 for a like number of games. These two teams, however, are of about equal strength as shown by their games Saturday, when Harvard defeated West Point 6 to 0, and Princeton downed Dartmouth by the same score. Dartmouth and West Point are believed to be about on a par.

Yale's showing for the year is a total score of 86 to 16, the poorest record for a Blue team in several years. Pennsylvania has done the heaviest scoring with a total of 154 to 13 in eight games. The Red and Blue, however, has played more little teams than any of the other championship contenders. Pennsylvania's best game from a comparative standpoint was her 20 to 0 victory over Brown, whom Harvard was able to beat by a score of only 12 to 6.

Laurel Hills Have Games.
The Laurel Hills football team of young players who are making quite a name for themselves by their clever game, expect to play a Tatfield team on Saturday. Next Tuesday they are expected to play a game against the Academy second. This will be the rubber.

Tatfield Football Team Wants Games
The Tatfield football team wishes to challenge any local team having an average weight of 130 pounds. Manager Leo Jacques is especially anxious to secure a game with the Cranbury boys for next Saturday, or any other open date.

Football Results Wednesday.

FINANCIAL AND COMMERCIAL.

INCREASED DULLNESS.
Various Features Which Tend to Caution in Conduct of Operations.

New York, Nov. 2.—The stock market remained dull to the point of stagnation today, reflecting the suspension of operations on a large scale by the political financial interests which have fostered the upward movement through the month of October. With the advent of dullness and neglect there have emerged into view various features of the market position which arouse distrust and tend to caution in the conduct of operations. The day's price changes of the usually active stocks were trifling.

An example of the occasion for distrust is found in the incident of the erratic fluctuations in Clay Head, Cincinnati, Chicago and St. Louis stock. The sale yesterday of a single 100-share lot of this stock at 41, following sales the previous day at 71, and an immediate rebound to 70, gave rise to widespread comment and criticism. This resulted in a request to the stock exchange authorities to record the bid and asked quotations for the stock from time to time today. From these it was shown that after selling at 49 and 70 there was no better bid at one time than 61 for the stock, though none was offered at that time at less than 68 1/2. Previous to this week the stock had not sold under 70 under the present year, that price having touched in the decline in July. (The smallness of the transaction which caused the wide fluctuations gave the impression that the stock was being used to convey a false lesson rather than being subjected to import liquidating pressure or reflecting developments regarding the proposed effect on anti-trust was to suggest the record of artificial valuations in some of the current stock prices. The violent effect on prices of the 100-share transactions in this case carried an unpleasant implication of the possible effect of pressure to sell other stocks carried as collateral in the event of calls for funds in other directions.)

The day's developments in the money market pointed to relaxation in the immediate future with the passing of the effect of the November settlements. The expanded loan position and the increased demands of western and southern banks for credits keep alive solicitude over the working out of the fall money requirements. The call money rate rose today to 4 1/2 per cent, making the highest of the fall season. The gathering in of New York taxes was the immediate factor in this effect. Rates for time loans were again marked up, but very little business was done in that department.

Some strength was shown by the copper industry, which were moved by the positive predictions of early improvement in the trade rather than by actual developments. The price of copper metal rose in London again. The statement made by Chairman Gary of the United States Steel corporation that early orders from the railroad were 1-1/2 for had little effect on the stock, which was less prominent in the dealings than of late.

Bonds were irregular. Total sales, par value, \$1,677,000. United States bonds were unchanged on call.

THROUGH THE GRAND CIRCUIT WITHOUT LOSING A RACE.

With The Abbe, 204, Pop Geers Duplicates His Performance of 1902 Season.

With the black stallion, The Abbe, 204, Pop Geers the past season duplicated his 1902 performance with that other black stallion, Direct Hit, 204 1-2, taking him clear through the grand circuit and Lexington without losing a race. It is a long journey from Terre Haute in the middle of July to Lexington in the middle of October, but the black stallion was better at the finish than at the start, and Evelyn W. 202 3-4, is the only stallion who had the honor of beating him a single heat, this being in the Chamber of Commerce stake at Detroit. The Abbe, however, was an unbeaten horse. This is wrong. He is an unbeaten pacer, but as a 3 year old he was raced at the trot, and on one occasion he beat when he got trimmed was in the Kentucky futurity of 1906, won by Silko.

ACCIDENTS PREVENT GAINS WHEN BIKERS SPRINT.

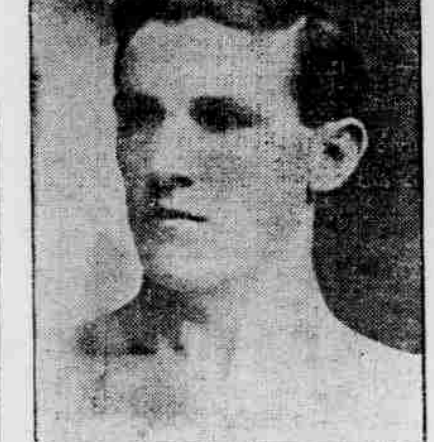

Eight Team Tie for First Place Continues at Boston.

Boston, Nov. 2.—Although there were repeated sprints today by several teams in the six day bicycle race in efforts to gain an advantage so as to make up lost time, accidents prevented their success in every case. The average pace was unusually fast, the day's total showing better than 22 miles an hour. At 9 p. m. after eight hours' riding, the eight leading teams—Kramer and Moran, Fogler and Collins, Wright and Palmer, Hehr and Connet, Wiley and Lawrence, the Bedell brothers, Demara and Williams and Thomas and McCarthy—were tied at 634 miles. Mitten and Walker, the reconstructed team, were still one lap behind, and Jokus and Schiller had covered 633 miles.

Late in the afternoon Elmer Collins and his partner, Joe Fogler, started out to break the tie, and Fogler had half a lap on the field when John Redell came a cropper. In an effort to secure a lead, Percy Thomas, while half a lap ahead, tore a tire and lost his advantage.

Warning Harvard Against Overconfidence.

Though the Crimson occupies the stellar position in the football program in the coming weeks. As a starter he has a match at Plainfield on Friday night which is for \$100 a side to meet a writer named Monte. The Central Village farmer is training to be in the pink of condition so that he can give Monte the go of his life.

Monte has the reputation of throwing some good men. Kid Wilson is to referee the bout and local boxers are to furnish the preliminaries.

One Favorite Won at Norfolk.

Norfolk, Va., Nov. 2.—Another large crowd visited the Jamestown racetrack today. Favorites went down once after another with the exception of Field Mouse, who was returned an easy winner of the Monticello purse, for which she was a prohibitive choice.

Pitcher Friedman in Town.

Charlie Friedman, the New Haven boy, who pitched in the past season for the Norwich team of the C. B. A., is visiting here for several days. Charlie was a general favorite and has many friends who are glad to see him again.

Long Shots Had Good Day at Latonia.

Latonia, Ky., Nov. 2.—John Reardon won the feature race at Latonia today when he rode the favorite, the favorite, was never a serious contender. Long shots defeated favorites in the first three races.

BITS OF SPORT.
Connie Mack's pet song: "Every Little Movement Has a Meaning of Its Own."
Jim Rogers of Yale was on the sidelines Saturday at West Point and missed very little of what was going on.
Lon McDonald would have liked very much to have had Gracious Peter returned to him eligible to the 220 class.
The men who tell about light attendance at the races imagine the sport is passing because they do not patronize it.
Burr, 206 3-4, and Justo, 205 1-4, the two stallions of J. Howard Ford of Stony Ford, will winter in Kentucky.
Justice Brooke, 208 1-2, the king of two year old trotters, is the first colt bred by Theodore Moore of Litchfield to appear in public.
In clearing the decks of Jim Smith with some Frankie Mantel leaves one from the lower in Bill Packer upon his return from Australia.
Gold Dollar, 208 1-2, is now owned by George Estabrook of Denver. He showed 2:06 at Lexington on the trot.
